The **Route No. 52- Diamond Point** deviated service is a hybrid between fixed route and paratransit services. Buses serve fixed bus stops along the route but also "deviate" off the route to pick up and drop off passengers closer to their starting place or destination. Buses can deviate up to 3/4 of a mile on either side of the fixed route. This service is only available on the Route 52 - Diamond Point east of Blyn. There are no eligibility requirements for using the deviated service, anyone within the designated area can request a deviated trip. Requests must be made by 4 pm the day before you are traveling. Requests can be made by calling CTS at 360-452-4511 option 1 or 800-858-3747 option 1.
